# LET 'ER RIP

Products to aid skin before, during and after the hair removal process

**1. CARRIOFF ÉPILYSS**

[www.epillyss.com](http://www.epillyss.com)

Carrioff eliminates ingrown hairs on the body with exfoliating, hydrating and soothing properties. The product helps men treat pseudofolliculitis barbae and alleviates shaving burn, razor bumps, itch, scarring and pain.

**2. I RESCUE POST TREATMENT RECOVERY BALM**  
**Image Skincare**

[www.imageskincare.com](http://www.imageskincare.com)

I Rescue Post Treatment Recovery Balm is a multi-functional restorative complex that reduces transepidermal water loss, discomfort, redness and irritation after a treatment.

**3. WONDER WHIP**

**The Wax Chick & Beelicious Wax**  
[www.beeliciouswax.com](http://www.beeliciouswax.com)

Wonder Whip is an organic balm that calms, soothes and hydrates the skin. It can either be applied to dry skin before hair removal or to treat the skin after hair removal.

**4. INSTANT CALM ULTRA COMPLEX**  
**YG Laboratories**

[www.yglabs.com](http://www.yglabs.com)

Instant Calm Ultra Complex relieves discomfort from sunburn, peels, laser treatments, microdermabrasion, waxing or tweezing, while also reducing signs of redness within minutes.

**5. HOMME WAX FOR MEN**

**Cirépil by Perron Rigot Paris**  
[www.cirepil.com](http://www.cirepil.com)

Homme Wax for Men is a metallic blue-green colored non-strip hard wax with easy-to-use fluid texture and a refreshing Marine scent. It was designed especially for hair that is difficult to remove, and can be used on men's shoulders, chest, back and bikini.

**6. HAIR REMOVAL PASTE**

**Sugar of the Nile**  
[www.sugarofthenile.com](http://www.sugarofthenile.com)

Hair Removal Paste is a sugaring past that comes in five different consistencies: Strip, Soft, Traditional, Island and Bikini. The paste contains only sugar, organic lemon juice and water.
